
A Special Management Report From

Ag Equipment Intelligence

BIG SHORTLINE REPORT: A LISTING OF SPECIALTY AG EQUIPMENT MANUFACTURERS

An Ag Equipment Intelligence Staff Report

The “Big Shortline Report:A Listing of Specialty Ag Equipment Manufacturers” is a first of its kind project that aggregates information on more than 120 specialty equipment manufacturers throughout the U.S.

For virtually each manufacturer listed, readers have access to information including brand names, square footage of manufacturing and assembly space, number of employees and annual revenues. The report is also considered a “living” document, which means it will be regularly updated as new information is developed.

At least for now, the report is limited to manufacturers that meet certain size thresholds, such as 15 employees or more. Canadian shortline manufacturers are not included in this initial report, but will be added in future editions. Employee size and annual revenue data are represented in ranges where available.

Be sure to check back regularly for updated data.

The data presented here was compiled through various. It is not guaranteed as to accuracy or completeness. Individual companies reported on and analyzed by Lessiter Media, may be clients of this and other Lessiter Media services. This information is not furnished in connection with a sale or offer to sell securities or in connection with the solicitation of an offer to buy securities.

This is an ongoing work. As manufacturers grow, change ownership and add new product lines, listings will be continually updated. Anyone wishing to contribute to this project should contact Alex Zank at azank@lessitermedia.com.

Ag Equipment Intelligence is published monthly for the farm equipment industry by Lessiter Media. ©2018 Lessiter Media. All rights reserved. Reproduction in any form of this report content is strictly forbidden without prior written consent of the publisher.

Ag Equipment Intelligence's Big Shortline Report is available to *Ag Equipment Intelligence* subscribers as part of their paid subscription. U.S., Canada and Mexico print subscriptions are \$499 per year. International print subscriptions are \$599 per year. Send subscription requests to: *Ag Equipment Intelligence*, P.O. Box 624, Brookfield, WI 53008-0624. Phone: 262/782-4480 or 800/645-8455 (U.S. only). Fax: 262/782-1252. Email: info@lessitermedia.com. Website: www.AgEquipmentIntelligence.com.
